| AISCE/CBSE (Class X)    | 2024         | S.D PUBLIC SCHOOL , MUZAFFARNAGAR | 92.4% | Rank in class |

| ACADEMIC PROJECTS                                                                                                                                                                                        |           |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| Personal Portfolio Website                                                                                                                                                                               | May 2026  |
| • Designed and engineered a fully responsive personal portfolio website utilizing HTML5, CSS3, and JavaScript, optimizing performance and cross-device display.                                          |           |
| Weather App                                                                                                                                                                                              | June 2026 |
| • Developed an interactive weather dashboard that integrates third-party RESTful APIs to fetch, process, and render real-time global weather metrics.                                                    |           |
| JavaScript Task Manager                                                                                                                                                                                  | June 2026 |
| • Created a structured Task Manager application featuring task scheduling, categorization, and progress tracking, utilizing object-oriented principles to ensure clean architecture and data management. |           |

| POSITIONS OF RESPONSIBILITY                                                                                                                                                                   |  |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| • <b>House Prefect (Class X):</b> Elected to represent student interests, maintain campus discipline, and coordinate weekly assemblies and inter-house events.                                |  |
| • <b>Team Leader (Class XI Science Exhibition):</b> Led a project team in designing and implementing an innovative scientific model, securing the First Prize at the intra-school exhibition. |  |

| SKILLS AND CERTIFICATIONS                                                                                                                                                                                                                    |  |
